The following are filing requirements for annual reports under AS 23.30.155 & 8 AAC 45.136; paying Second Injury Fund (SIF) contributions under AS 23.30.040; and paying Workers' Safety and Compensation Administration Account (WSCAA) fees under AS 23.05.067 for self-insured employers.

This bulletin supersedes and replaces all prior bulletins regarding filing of annual reports, and SIF & WSCAA contributions.

These requirements are effective for the calendar year 2007 annual report, which is **due on or before March 1, 2008.**

Please review the filing requirements carefully to ensure that your filing is in compliance, and to avoid penalties and interest for incorrect filings. **Important changes** include the requirement that each claim include the federal employer identification number (FEIN) of the insurance company and the claims administrator handling the claim, and the requirement that benefits paid under AS 23.30.041(g) be reported as a separate benefit cost.

Questions concerning the annual report filing, or the SIF and WSCAA fees may be addressed to:

ANNUAL REPORT

- ◆ An annual report must be submitted for each insurance company that incurred workers' compensation claims expenses in the reporting year. The report may be submitted by either the insurer or the insurer's claims adjuster (not both).
- ◆ Annual reports must be submitted electronically; hard-copy paper reports **are no longer accepted**. The only acceptable methods of transmission are via 3 1/2 inch diskette, CD ROM disc, or as an attached document in an e-mail file. Acceptable formats include an Excel spreadsheet or a delimited text file. Discs should be mailed to Department of Labor, Second Injury Fund, P.O. BOX 115512, JUNEAU, AK 99811-5512. E-mails should be sent to Michael.Monagle@Alaska.Gov. Reports submitted on paper or by electronic means other than that listed above will be returned, and if applicable, late-filing penalties may be applied to the resubmission.
- ◆ A separate annual report file must be submitted for each insurance company, however multiple files may be transmitted in a single email, CD, or diskette. Do not submit a single file for an entire insurance group; do not file by out-of-state TPA name. Do not file by business account. The remitter must identify each file submitted by name of the insurance company, and the insurance company's NAIC number.
- ◆ Each submission must clearly state the name, mailing address, phone number, and e-mail address of the person responsible for the annual report filing. This information must be on a label adhered to each floppy disk, CD ROM or set out in the body of the e-mail filing.
- ◆ The file is to contain alphanumeric data only, and must not contain any text formatting or text headings. Numeric fields should not contain any symbols; i.e., (\$\$), commas, formulas, parenthesis, brackets, etc. Reports not submitted in the described format will be returned, and if applicable, late filing penalties may be applied to the resubmission.
- ◆ Report all payments made with payment dates during the 2007 calendar year, regardless of the 'from and through dates', whether made by the employer, the insurer, or the adjuster, including overpayments and employer wage continuations.
- ◆ The file must be in the same data sequence as indicated in the enclosed record layout. If you are not reporting a value for a specific field type, you must enter a zero ("0") value. Reports not submitted in the described format will be returned, and if applicable, late-filing penalties may be applied to the resubmission.
- ◆ The AWCB number must be reported as a nine-character number, i.e., 200712345.
- ◆ Monetary amounts are to be rounded to the nearest whole dollar, with no comma placement for thousand (000) values. Negative values should have a minus sign in front of the value and not brackets. For example, "-100" not "(100)".

SECOND INJURY FUND CONTRIBUTION

- ◆ The Second Injury Fund (SIF) contribution is due at the time of the annual report filing, **which is on or before March 1st**. Do not submit SIF contributions with termination reports during the year.
- ◆ SIF contributions are assessed against each claim, based on the *year of the injury* and the SIF contribution rate in effect at that time (see Table 1). The coming year's contribution rate is announced via bulletin each December.
- ◆ SIF contributions are paid on all claims, irrespective of whether SIF reimbursement is currently being received on the claim. No SIF payment should be submitted for a claim where the SIF assessed amount due is \$20.00 or less.
- ◆ A check payable to the Second Injury Fund must be submitted on or before March 1st. Interest and penalties will be applied for filings and/or payments received after March 1st. The amount of the SIF payment must equal the total of the 'SIF Contribution' column from the annual report. A single aggregate check must be sent for each insurer's report, rather than a separate SIF check for each claimant. If payment being submitted that does not match the annual report's SIF total, a breakdown must be included with the payment listing each claimant's name, the AWCB#, and the SIF assessment. Payments should be sent to the Department of Labor, Second Injury Fund, and P.O. BOX 115512, JUNEAU, AK 99811-5512.
